Subject: Correction! Summative ELPAC SSR Availability Information

Dear LEA ELPAC Coordinator:

You recently received an email misstating that printed Student Score Reports (SSRs) and score labels for the Summative ELPAC are being produced, packed, and will be shipped to you in the coming week(s). **This email was sent in error and I apologize for any confusion this may have caused.**

Please note the following about ELPAC SSRs:

- **Beginning with the 2018–19 school year, ELPAC SSRs are available electronically.** Information about the [Student Score Report Options](#) was shared earlier this year, and the [Electronic Student Score Reports Benefits Flyer](#) provides information on the benefits of electronic SSRs.
- If your LEA has provided credentials to your Student Information System provider, parents and guardians may now access SSRs using your LEA's locally provided parent or student portal. More information on this option is available on the [Student Score Report Options](#) web page.
- Electronic SSRs will look similar to the printed ELPAC SSRs students received during the 2017–18 school year.

If your LEA needs printed SSRs, your LEA can do one of the following:

- Download SSRs from the Test Operations Management System (TOMS), print them, and make them available via a secure local method.
- Purchase paper SSRs from Educational Testing Service (ETS) that will be processed, printed, and shipped to your LEA in August 2019.

An updated "ELPAC Electronic and Printed Reports Availability Information" email is forthcoming.

Thank you for your patience and your continued support of the program. Please contact the California Technical Assistance Center by phone at 800-955-2954 or by email at caltac@ets.org with any questions about the Summative ELPAC SSRs.

Sincerely,

Mary Anne Arcilla
Interim Executive Director
CAASPP and ELPAC Programs
